

NOJA Power Switchgear Pty Ltd Australia – Engineering, Switchgear

SAP Business One mobile application

“

The iPhone / ipad app has empowered our staff to access real time data from our system that allows them to do better business while mobile globally.

Neil O’Sullivan
Managing Director

”

Industry	Engineering – Medium Voltage Switchgear
Employees	200 employees, 40 SAP Business One users
Reasons for choosing SAP	SAP Business One was considered the low risk option and proved to be the case during the implementation and go live phases.
Key benefits	<p>Directors, sales staff and internationally based representatives use the iPhone / ipad application to provide a variety of functionality including stock, pricing, dashboards, as well as service and warranty support using the equipment cards.</p> <p>Customer’s accounts status can be viewed while visiting the customer and CRM data is also accessed using the business partner information.</p>
Customer quotes	“The iPhone / ipad app has empowered our staff to access real time data from our system that allows them to do better business while mobile globally.”
Implementation partner	Leverage Technologies
